# INTERIOR DESIGN INSTALLATION CHECKLIST

Great **Interior Design** blends beauty and efficiency, creating spaces that reflect your personality while enhancing everyday living. It's about turning dreams into reality, one detail at a time.

# LIVING ROOM

Television

Wall-mount at eye level; minimize window glare.

Sofa

Position for optimal conversation flow.

Coffee Table

Ensure easy reach from seating.

Accent Chairs

Place opposite the sofa for balance.

Lighting

Install overhead fixtures and side lamps to enhance décor.

Curtains

Select designs that offer privacy and light control .

# KITCHEN

**Refrigerator**

Place for easy access; ensure it doesn't obstruct movement.

**Stove**

Position at a comfortable height; allow for easy maneuvering during cooking.

**Sink**

Centralize for accessibility; verify proper plumbing connections.

**Range Hood**

Install above the stove; ensure proper ducting for ventilation.

**Lighting**

Ensure bright illumination in workspaces; consider task lighting where needed.

# BEDROOM

**Bed**

Position as the focal point; ensure easy access from both sides.

**Wardrobe**

Place for convenient access; consider sliding doors to save space.

**Bedside Tables**

Include for storage and lighting; ensure they complement the bed.

**Curtains/Blinds**

Choose options that provide privacy and control natural light.

**Lighting**

Combine overhead lighting with bedside lamps for ambiance.

# BATHROOM

Shower

Install for convenient access; ensure proper water flow and drainage.

Sink & Vanity

Mount at an ergonomic height; include storage for toiletries.

Mirror

Place above the sink; consider adding surrounding lighting.

Toilet

Position for privacy; ensure accessibility and comfort.

Lighting

Install bright lights; consider dimmable options for ambiance.

Exhaust Fan

Ensure proper ventilation to prevent moisture buildup.

# OUTDOOR SPACES

## Seating

Arrange durable furniture for comfort and social interaction.

## Lighting

Install weather-resistant fixtures to enhance ambiance and safety.

## Landscaping

Maintain plants and features that complement the outdoor design.

## Pathways

Ensure clear, well-lit paths for easy navigation.

## Storage

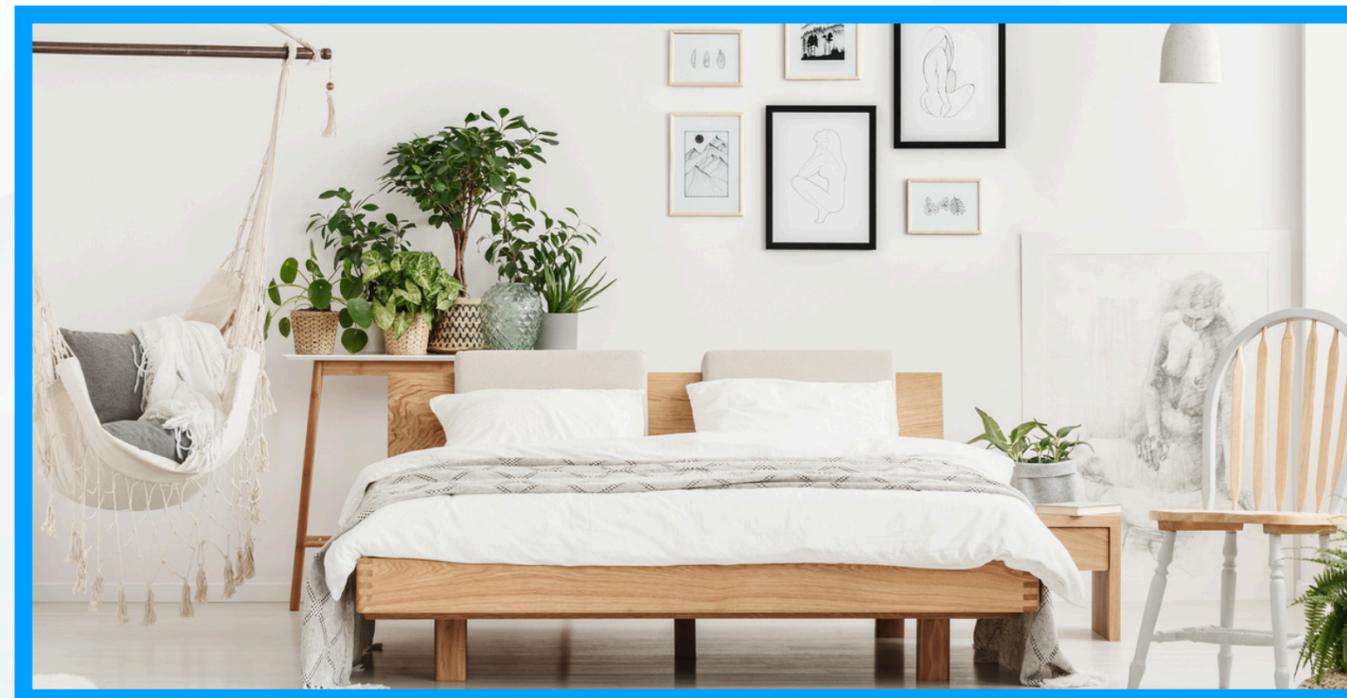

Provide outdoor storage solutions for tools and equipment.
